27	Bhadravati TPS (1072 MW) (M/s. Central India Power)	29-12-94	**Counter Guarantee project** (i) Escrow from State Government. (ii) Finalisation of Coal Supply Agreement. Coal pricing mechanism and in particular the 'risk premium' being charged by WCL is the only outstanding issue. MSEB have contended that the various risk factors pointed out by WCL could easily be mitigated and hence the 'risk premium' was substantially on the higher side. However, in case some risks remain, WCL should quantify the risk on each account alongwith the duration of such risks. Response of DOC in the matter.
